## Patient Checklist

- Please note:** A Buffalo MRI representative will be contacting you to discuss additional preparation that may be needed for your study.
- If we are providing you with a sedative, please arrive one hour prior to your appointment and arrange for a driver for the ride home.
- For MRI studies only:** Please wear or bring clothing without metal (metal snaps, metal zippers, metal buttons, etc.). If you do not have this type of clothing, we can provide it to you.
- Bring your insurance information and co-pay.
- Bring all previous diagnostic studies (CD/films and report) of the body part we are scanning (e.g. CT Scan, X-ray, MRI, Mammogram and Ultrasound).
- Bring your favorite CD or iPod to listen to during your study, or choose from our music collection.
- Please bring all prior Breast Images with you if you are having a Breast Study done.
